The main purpose of the British Documents on the End of Empire Project (BDEEP) is to publish documents from British official archives on the ending of colonial and associated rule and on the context in which this took place. This publication contains documents which trace British policy towards Malta from the restoration of responsible government in 1946, the attempts at integration and its failure during the years 1954 to 1958, the re-imposition of direct rule from 1958 to 1962, to the achievement of its independence in September 1964 and post-colonial Anglo-Maltese relations during the period 1964 to 1972.
