Sabrina just wants to be normal—no detecting, no dangerous escapes, and especially no Everafters. Unfortunately, New York City is a hiding spot for many famous fairy-tale folk. And there's a murderer in their midst! The girls and their friends must figure out who killed Puck's father, King Oberon, while coming to terms with their mother's secret life. Will they stop the murderer before he or she can strike again? And will Sabrina ever accept her family's destiny? The colorful world of the Grimms expands in new and hilarious directions in Once upon a Crime. Critics and readers alike have embraced the Sisters Grimm series and its independent, quick-thinking heroines.
